

FreightRevCon (FRC) is your trusted partner for streamlined accounts receivable services in the trucking industry. We offer comprehensive solutions tailored to the needs of independent trucking companies, from personalized invoicing and meticulous paperwork auditing to efficient collections management.

Our Business Process Outsourcing Solutions:

- Electronic Invoicing: Trace and track invoice receipt to brokers
- Receivables Management: Services include auditing paperwork and ensuring proper billing
- Collection Services: Collections for up to 60 days
- Client Reporting: Client Portal provides clients with visibility into invoice statuses and AR reports
- Flat Fee: Unlike factoring services, FRC charges a flat monthly fee for services

By collaborating with FRC, vendors benefit from our industry expertise, cutting-edge automation, and access to exclusive credit data. This partnership allows you to elevate your service offerings and provide your clients with unparalleled support in managing their receivables.

Together, we can drive efficiency, reduce payment delays, and enhance customer satisfaction, fostering stronger, more profitable relationships within the trucking community.
